PRODUCT CHARACTERISTICS > BENEFITS

- Versatile and efficient cook sets made of hard anodized aluminum
- The special heat exchanger (HE) reduces „time to boil“ by 30%, making your stove energy efficient and saving fuel when cooking
- The slimfit neoprene bag keeps food warm and protects your fingers from the heat and the cooking set from scratches
- The Terra Lite HE and the Terra HE set offers perfectly space for the Optimus 3-piece titanium cutlery set and the Optimus Nova stove
- When traveling the Tera Solo and the Terra Weekend HE sets offers ample space for a gas cartridge, a Crux / Crux Lite stove, plus an Optimus Folding Spork
